Tastes differ: In our enlarged colour range even individualists will have no trouble finding the wall or ceiling panel that perfectly suits them.

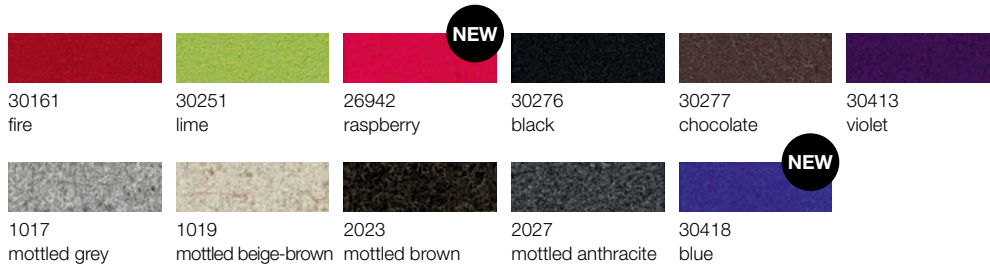

Whether fastened directly on the wall or free-floating: With the **new mounting options** you have even more freedom to position your colorPAD wall or ceiling panels and banners.

Classic and straight-lined or dynamically curved: The new **frameless designs** of the colorPAD will help you in creating not only a visual eye-catcher, but in making a real statement as well.

All innovations in detail
